If the town of Poetry was cooking a thanksgiving dinner that they'd never made before in their life, this is how they'd do it: accept the offer of a free Turkey, a little smaller than they really need, but, hey, it's free. Then they'd rush to Walmart and buy what they think they'll need to cook it and all the trimmings. They'd get it home and since it's thanksgiving morning they need to hurry. So they cut up all the vegetables, and throw everything in the pan with the frozen bird, the sweet potatoes, cranberries, bread that they've seen before in stuffing, THEN, go look for a recipe..... Oh, and since they don't have enough dishes to serve it in, it all gets dumped on the tablecloth.....

Disincorporating Poll. I posted in just Poetry, but apparently it didn't go to all poetry neighbors. I'm sorry for the inconvenience.

Disincorporating Poetry - Poll

Is it just me, or does anyone else feel that incorporating "Poetry" was a mistake? It has caused lost friendships and animosity between neighbors.
